Key of E, 114bpm in 4/4

{Verse 1}

Behold the beauty of the Lord
Turn again to the One
Who is worth it all
We lift our eyes
And remember You are God
With grateful hearts
We'll sing of all You've done

{Chorus}

Jesus Christ in all things
Come behold Him
He is Lord
Worship bow before Him
Come adore Him
He is Lord

{Verse 2}

Behold behold the Lamb of God
Turn again to the wonder of His love
He poured His life out there
Upon the cross
So we might know
The Father's heart for us

{Bridge}

Let our song arise
Stir our hearts again
As we come to glorify Your name
Oh what joy it is
To give You everything we have
Join with all the Earth
Angels and the saints
Lifting up a song of endless praise
Holy is the Lord
Holy is the lamb of God
