

IT'S A REVOLUTION

Vineyard Worship
Katy Camohan, Karen George, Ben Erickson

{Verse 1}

I've got the power living in me
I've got the Spirit, He's living in me
I've got the God who made everything
He's with me, He's with me

I've got a fire in my soul
I've got a love that won't let go
I've got Jesus in my heart
He's with me, He's with me

{Chorus}

Ready or not
it's a revolution
God is love
and love is the solution
Here we go
we're gonna change the world

{Verse 2}

I've got a light that I can't hide
I've got a river flowing with life
Because his love is deep and wide
And it's with me it's with me

I feel this wind that's blowing in me
It's like a river, wild and free
I feel this freedom like never before
My God is with me, He's with me

{Bridge 2}

Nothing in Heaven or Earth
could ever stop your love
