{Verse 1}

Everything you make is beautiful
Everything you touch is now made whole
Nothing can exist apart from You
Everything that has been comes from You

Jesus, You are the light of all mankind
Jesus, You are the way, the truth, and life
Now until forever

{Verse 2}

Everything you give is wonderful
And the way you save is merciful

Everything that you touch

All the ways that you love
All the ways that you save
So beautiful, beautiful

So beautiful, so beautiful

{Chorus 2}

Jesus, You are the light of all mankind
Jesus, You are the way, the truth, and life
