Hey, hey, catch the air, catch the air

Hey, hey, catch the air, catch the air

{Verse 1}

I'm not afraid to fly

Jesus is by my side

Just spread your wings and try

Come on let's fly

{Pre-Chorus}

Hey, hey, catch the air, catch the air

Hey, hey, catch the air

{Chorus}

It's time to fly, high, dreams come alive

No holding me back 'cause it's time to fly

My heart, my mind, my soul you ignite

No holding me back 'cause it's time to fly

No holding me back 'cause it's time to fly

{Verse 2}

Your spirit gives me wings

I can do anything

Through Jesus who strengthens me

Come on let's fly

{Bridge}

Above all the noise

I've gotta choice

I'm choosin' faith

I'm choosin' hope

I'm choosin' joy

When I'm afraid

You keep me safe

With Jesus inside

I am alive

Now I can fly
