You are the cloud by day and the pillar of fire by night
Living Water and the Bread of life
Our deliverer and our guide
You are the City of Refuge, Sun of Righteousness
Prince of Peace in our distress
Hope for the powerless and oppressed

Oh, praise the Name, the Name above all names
The mighty Name of Jesus Christ
Lift high the Name, the Name above all names
The mighty Name of Jesus Christ

You are the Suffering Servant, the One who weeps with us
Man of Sorrows and the Lord of Love
Burden Bearer and the Merciful Judge
You are the Great High Priest and the Sacrificial Lamb
Eternal Word and the Son of Man
Our Good Shepherd and the Great I AM

We lift up the Name, lift up the Name
Lift up the Name of Jesus
We lift up the Name, join with the saints
In ev'ry nation singing

Oh, praise the Name
Oh, the mighty Name

Oh, praise the Name, the Name above all names
The mighty Name of Jesus Christ
Lift high the Name, the Name above all names
The mighty Name of Jesus Christ

The mighty Name of Je - sus Christ
The mighty Name of Je - sus Christ
