

# Expectation

Joshua Miller, Casey Corum & D. Jamel Kimbrough

## {Verse 1}

You redeem our past, You take what's old and broken  
You're breathing in new life  
Rhythms of Your grace, moving us to freedom  
From darkness into light

## {Chorus 1}

You will make all things new, You'll bring Your kingdom here  
We wait in expectation  
We lift our eyes to You, salvation's drawing near  
We wait in expectation

## {Verse 2}

You have overcome the troubles we are facing  
You're standing here with us  
Oppression cannot win and anxious thoughts are broken  
By the pow'r of Jesus' name

## {Bridge}

Oh, Oh (x3)  
Oh, Salvation's drawing near  
Oh, Your freedom, Jesus  
Oh, Salvation's drawing near
