C#m                                  A

E B

A                  C#m                  B

A                      C#m                      B

There just one thing I have to shout

### **Rap**

E

Good, strong, loving, kind,

A

Light, the love ill always find

C#m

Hope, help, hero King

B

Stronger than any thing

E

Wise, bright, perfect sight

A

Closest friend, highest height

C#m

The first, last, middle, end

B

Your size I cannot comprehend

E

And best of all you set me free

A

When on the cross you died for me

C#m

You're everything in life to me

A

And this is what I will sing
