{Verse 1}

You carried the cross on Your shoulders
Under the weight of our sin
Thorns for a crown placed upon You
The light of the world seemed dim

{Verse 2}

Crowds gathered round to behold You
Surely You were who You said
Silent and still was Your body
But we know it wasn't the end

{Chorus}

Praise to You our living Jesus,
Risen from the grave
Love has won and death defeated
Praise to You our Saviour King
We will praise You for eternity

{Verse 3}

Three days the world was in waiting
Hoping Your promise was true
Rising You tore through the darkness
Death took Your place in that tomb

{Verse 4}

Now we have hope for the future
When sadness and struggle will fade
As you return in Your victory
Forever we'll sing out Your praise
