

Cherry Blossoms

Andy Squyres

Verse 1:

Well I feel a warm wind blowin'
Meltin' all the sadness off of my soul
And I smell the sweet cherry blossoms
Pourin' all their gladness into my soul

Chorus:

In winter, I believe you
In springtime, I see you
It's so good to be with you,
My hope has come!
Lord You make all things new!
Your love is my breakthrough
Now I sing hallelujah!
My hope has come!

Verse 2:

Now I walk through the valley of the shadow,
And I have been tested like silver and gold
Lord Your faith has taught me to cherish
That this light affliction is not my home

Bridge:

Now I'm not gonna give in to this mortal frustration
And I'm not gonna give death any standing ovation
I will lift my soul, God, with no hesitation
Cause between You and me there is no separation
