Original Key: C | Chosen Key: C | Tempo: 80

{Verse 1}

There was a Man with nails in His hands
The weight of sin the weight of man
And on the day some laughed some cried
And by His own He was denied

{Verse 2}

Beaten and bruised for all to see
The Son of God hanging on a tree
Blood and tears flowed from His brow
His cross went up the veil torn down

{Chorus 1}

We lift You up, we lift You up
We lift You higher
We lift You up, we lift You up
We lift You higher

{Verse 3}

Behold the Man who wears the crown
Our Risen King we all bow down
The fullness of our sins atoned
The reign of darkness has been dethroned

{Bridge}

For the holes in Your hands
For the stripes on Your back
You are worthy, King Jesus
For the cross that You carried
For the grave that is empty
You are worthy, King Jesus
With great exaltation
With the reverence from nations
You are holy, King Jesus
We are declaring
We agree with the heavens
You are holy, King Jesus
