

ALABASTER

Written by Katie Howard & Noah Freeland
Key of E, 69bpm in 4/4

{Verse 1}

Pearl of great price
Worth more than I own
This treasure I've found
Is greater than gold
I'm pouring my oil
As a fragrance to You my King
Would it be a pleasing offering

{Verse 2}

You're the Lamb that was slain
For the sake of the world
You're the King of my days
Forever enthroned
I'm pouring my oil
As a fragrance to You my King
Would it be a pleasing offering

{Chorus}

My alabaster
Broken at the
Feet of You my
Precious Saviour
You deserve the
Finest fragrance
All I have I
Give You Jesus

{Verse 3}

How sweet is the love
That rescued my soul
Forever my heart
Will long after Yours
I'm pouring my oil
As a fragrance to you my King
Would it be a pleasing offering

{Bridge}

Take this offering
You're worth what it costs
You're all that I want
