{Verse 1}

I was looking for answers
I searched as far as the eye could see
I had a hunger inside my heart
I've chased every feeling
I've tried all that the world can give
I've found nothing else satisfies

{Chorus}

Jesus, Name above all Names
Jesus, You are my one desire
Jesus, You are the One
You are the only One
Jesus, You are the treasure
Worth more than any amount of gold
I'm sure, You are the One
You are the only One

{Verse 2}

I was walking in darkness
So lost, I didn't know where to go
Jesus you opened up my eyes
Now I'm free and forgiven
My heart has finally found its home
I know that nothing else satisfies

{Bridge}

You're the light to my feet
The truth that I seek
You are the only way
You're the hope in my heart
The life in my veins
You are the only way
