

REIGN FOREVERMORE

Written by Lizzy Reid, Josh Fraser, Noah Freeland & Jon Solway
Key of C, 81bpm in 4/4

{Verse 1}

There's a stirring in our land, it's a holy mighty sound
Of generations singing of the love we've found
There's a rising of our faith, and a hope for more to come
As hearts are drawn to Jesus, the redeeming one

{Pre-Chorus}

Let the people join the angels singing

{Chorus}

Holy, holy, holy is the Lord most High
Worthy, worthy, worthy to be glorified
Jesus son of God, Who was and is to come
You reign forevermore

{Verse 2}

Let the prison walls come down, and the captives be released
For the God of all salvation is our liberty
He is lifting heavy burdens, and he's banishing our shame
Darkness flees before him and his mighty Name

{Verse 3}

We are longing for the day when creation is restored
And all that's wrong and broken is forever cured
Let our God receive the praise throughout never ending days
For his love endures forever and his Kingdom reigns
